Welcome to the CalPERS Education Center

Access. Accelerate. Achieve. It's all here for you online with the CalPERS Education Center. Our Education Center offers you quick access to all of the classes and instruction you need to be prepared and informed while making important decisions with CalPERS. Choose any of the options below to begin using the CalPERS Education Center.

Deciding Which Class to Take
Before you get started, view class descriptions and the subjects they cover.

Select a Class
Choose a class and enroll online. Then take your class online or in the classroom. Instructor-led classes are offered through our eight Regional Offices.

Register for a Benefit Fair
Register your employees to attend CalPERS Benefit Fairs offered throughout the State, throughout the year.

View Your Activity & History
Get status on your latest activities scheduled with CalPERS. View classes you have scheduled to attend, change or cancel your enrollment, and download education materials all from your personalized View My Activity & History page.

CalPERS Education Center Video
Watch our video for an instant tour of the CalPERS Education Center's Features. See the possibilities and choose the options that work for you.

Learn More & Get Answers
View our library of resources to help answer any questions you may have about the CalPERS Education Center. Get important information, additional resources -- even special quick tips for preparing and learning with each service offered in our Education Center.

- Payroll
- Benefits
- Other CalPERS Programs

Contact your County Office of Education to schedule training

CalPERS Education Center

Automated Communications Exchange System (ACES)

Learn how to use ACES right at your own desk, with the help of our online training materials.

ACES User Account Maintenance

ACES Account Administrators: Are you interested in having control of your agency's ACES User Accounts? ACES Account Administrators can gain knowledge how to set up and maintain User Accounts.

1. Add a new user
2. Modify an existing user's account access
3. Unlock an account
4. Reset a password
5. Disable an account (and delete user from agency list)

Online forms

Agencies are required to keep copies of the required security forms completed for each user on file in a secure work site location. CalPERS may audit your agency to ensure compliance. The required security forms are:

Add a User

All your new users must sign a CalPERS Employer User Security Agreement (AESD-43) and submit it to the Account Administrator.

Delete a User

When your employee will no longer use ACES, your Account Administrator must complete and submit to CalPERS a Delete ACES User Access form (AESD-42).
